# A DUI WILL RUIN YOUR HIGH

## **DRIVING HIGH IS ILLEGAL**

Driving with any amount of cannabis in your system puts you at risk for a DUI.

## **DRIVING HIGH IS UNSAFE**

You are less alert when you're high and that makes you an unsafe driver.

## **DRIVING HIGH IS AVOIDABLE**

Plan a sober ride before you're high – there are plenty of ways to get around.

## **DRIVING HIGH IS NOT WORTH THE RISK**

A DUI will cost you money and even jail time.
